

The Beast: The Summary of The Seven Heads and Ten Horns

Welcome to the *Twenty-Fourth Annual Feast of Weeks* in the solar year of 6007. It is my honor to stand before you today, and give ALL glory, magnification, and praise to my Maker, יהוה בן יהוה. Truly He is praiseworthy. I commend Him for the sacrifice that He has made on our behalf--giving up the life that He could have lived--to breathe the breath of life in a stubborn, rebellious, and stiff-neck people.

יהוה בן יהוה did not have to do what He has done for us. It is the mercy of יהוה, that has brought יהוה בן יהוה to us to be a *personal* Savior unto each and everyone of us. It is יהוה בן יהוה, through His obedience to His Father, יהוה, who has suffered a great deal for each and every transgression and misdeed that we have made against יהוה.

For this reason, I thank Him for His love, compassion, and mercy, which is unlike anything that we have ever known out in the world. And most of all, I thank Him for bringing us the *laws* so that we, in return, can

prove--in our obedience to keep them--that we have the “same” love for Him. Praise יהיה!

I would like to welcome all of you to this seminar, entitled, “*The Beast: The Summary of The Seven Heads and Ten Horns.*” This seminar is derived from the five-part seminar series “*The Rising of The Beast Out of The Sea,*” and is designed to give you a complete overview of the beast in Revelation, Chapter 13, verse 1, which reads:

And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

This is one Scripture that will leave you mystified, if you don’t understand all of its symbolism in totality. We have believed all kinds of things when it comes to this beast. Some of us may even be looking to see something like a big red dragon with wings and a serpent’s tongue, scales like a lizard, and claws like an eagle coming up out of the middle of the Atlantic Ocean. Well, today, we are here, once and for all, to dispel all false theories, and to reveal the truth of what this really means: from His rise out of the sea, seven heads, ten horns, and ten crowns, right down to the very names of blasphemy that are upon his heads.

Let us begin our journey through this Scripture with the phrase, “...*and saw a beast rise up out of the sea...*” In this phrase, we received a shocking revelation. We found that the word **sea** (s-e-a) derived from the word **see** (s-e-e-). As we studied this word from its etymological rendition, we found that the *sea*, from which the beast would rise up out of, is actually the **See of Rome** or the **Roman Catholic Church**.

Other convincing documentation from our research of the word “sea” proved, beyond a reasonable doubt, that the rise of the beast out of the sea is all about establishing a *one world religion*. This one world religion will be of the Roman Catholic Church. It was manifested through careful research that the Roman Catholic Church is the Christian Church, meaning that Roman Catholics and Christians are the same. Declaring that most people who call themselves natural born Christians, and who follow Christianity do not know that they are, in fact, practicing the worship of the *dragon*. Revelation, Chapter 13, verse 4, reads, in part:

*And they worshipped the **dragon** which gave **power** unto the **beast**...*

The word **worship** means “to take part in religious services.” Accordingly, we received the knowledge that those who take part in the

religious services of the dragon are, indeed, worshippers of the “anti-christ.” So, our question was, Who is the dragon? The word **dragon** was defined as a *mythical* monster. When we broke down the words *mythical* and *monster*, we learned that the dragon is the supreme head of the Roman Catholic Church; the Pope of Rome.

Therefore, all those who participate in the services of the Roman Catholic Church or the Christian Church partake in the services of the “antichrist; the devil.” Concluding, that all those who say that they follow the Roman Catholic Church or the Christian Church have been deceived by strong delusion. Second Thessalonians, Chapter 2, verse 11 tells us:

And for this cause God, ꝑꝑꝑꝑ, shall send them strong delusion, that they should believe a lie:

The Pope and the Roman Catholic Church or Christian Church was decreed as a portent of evil, meaning that within the Church they would practice *unacceptable* and *incoherent* principles that are not in accord with the laws of the Bible. Even more, they would practice immoral sexual behavior, which we are witnessing is taking place all over the world today. Mothers who are afraid to send their young sons around the bishops or

cardinals for fear that they will come home “sexually abused.” This will be the kind of One World Religion that the beast will receive power from the dragon [the Pope] to establish. Maybe now we can see why there are so many homosexuals in the earth today.

It was time for us to blow the lid off who the beast of Revelation, Chapter 13, verse 1 represented. We uncovered that the **beast** is one that has been appointed to office through an inauguration. Research validated him to be the **President of the United States**: George W. Bush. We told you that President George W. Bush was put into office to bring about the One World Religion. We read Revelation, Chapter 13, verse 2, which states in part:

...and the dragon gave him [the beast] his power, and his seat, and great authority.

Thus, we found out that President George W. Bush will be allowed to continue for forty and two months, which is equivalent to three and a half years using the power, the seat, and the authority of the Pope, which is in accordance with Revelation, Chapter 13, verse 5. Let us read:

And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

During this time, not only will he establish a One World Religion, but he also has another purpose that he must fulfill: He will be put into this position so he can remain a *watchman* of the Nation of **יִשְׂרָאֵל**. His fear of the Nation of **יִשְׂרָאֵל** is that we will publish and teach a message that is totally contrary to Catholicism and Christianity and, furthermore, will sway the masses of the people over to our side.

Thus, President Bush will make a decree that no one is to worship outside of Christianity, and anyone who does not follow this one world religion--Christianity--will be labeled as a “*nonconformist*,” and in accordance with Revelation, Chapter 13, verse 15 *they should be killed*. Let us turn to this Scripture:

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

Should be killed implies that it will be his *intent* to kill them; however, those who have not conformed to his image--a one world religion--will be under

the divine protection of יהוה, and will be saved out of his hand. Praise יהוה.

We next traveled into the phrase in Revelation, Chapter 13, verse 1, which is “...*having seven heads*,... .” The word “have,” the root of having, authenticated that the *dragon* [the Pope] would also give the *beast* [the President of the United States--George W. Bush] “control and influence over an established government.”

We arrived at an understanding of what this *established government* is and how it will be set up. Overwhelming evidence revealed that *seven heads* represent seven “heads of government” or seven “groups of government,” that will make an alliance with President George W. Bush so as to aid him in building this *established government*. These heads or groups of government were identified to be “**Group of Seven**” (G7), which they now officially call “**Group of Eight**” (G8). Since, there are only seven heads, then we confirmed with indisputable facts that “**Group of Eight**” (G8) stands for *America*, and her *seven* allies--Canada, France, Germany, Italy, Japan, Russia, and the United Kingdom. Therefore, when we read Revelation, Chapter 13, verse 1, it can be read in part:

*And I stood upon the sand of the sea, and saw the beast rise up out of the sea, having **seven heads of government**-- Canada, France, Germany, Italy, Japan, Russia and, the United Kingdom.*

We learned that America, and her seven heads of government or allies are the eight most *industrialized* nations in the world, meaning that they manage and control *international* (worldwide) “*trade.*” “**Trade**” was defined as “buying and selling.”

It was also brought out to us that these nations have formed a conspiracy; an underhanded plot to overthrow a system of government that is already set up, and to replace it with an established government, which is the New World Order or the One World Government. There will be two sides to this plot. One will be to sway the people to a one world government, and the other will be to sway the nations.

We unearthed what they would do to cause the people to be swayed. We learned that they will use the media as an intrigue and artifice. They are going to draw the people to the New World Order by creating a host of events in the media. They will publish different things in the media that will appear to the people as entertainment; however, it will be to make them

fearful, so much so that this will cause them to feel that they need the New World Order as a means of safety. We found out that some of the entertainment that they used to create these scare tactics were kidnappings, Bin Laden, Saddam Hussein, war on terrorism, weapons of mass destruction--all designed for the purpose of making people feel a need for more security or safety. Paralyzing the whole world with fear, they know they can quickly institute the New World Order.

Moreover, President Bush will sway all of the other nations, but the manner in which he will do it will be different: President George W. Bush wants all nations to make a formal agreement with him and his seven allies to sign over their “independence,” meaning their countries, so they can form this “One World Government.” Since these *eight* nations control international “trade,” which is *buying* and *selling*, their plot is as follows: All nations that refuse this agreement, they will stop selling to them, as well as buying from them. The effect of this will be to “cut off” the financial and economic stability of these countries, which will ultimately cause an economic collapse, and that will leave them no other alternative but to join the One World Alliance.

Not only will they use the power of buying and selling to establish the World Government among nations, but they will also do something similar among the people: They will make a decree that no man can buy or sell unless he has the mark of the beast, as is found in the Book of Revelation, Chapter 13, verses 16 and 17:

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”

When the details about this mark were laid open, we found that the *mark* is a metal disk that will be implanted under the skin. This metal disk will have stored information on it that is recorded in the form of very tiny marks or dents that can be detected by a laser. These marks or dents will stand for numbers, and the numbers can be used to produce computer information.

Therefore, those who believe in the governments scare tactics, and receive the mark in their right hand or forehead, the government will have rapid access to all of their personal information, such as name and address, social security number, driver’s license number, bank account number,

credit card number, license plate number, etc. The Bible tells us that יהוה has a consequence for anyone who takes this mark: they will be punished far above anything that President George W. Bush and his allies can do. יהוה says that he will cast them “alive” into the lake of fire, which burns with fire and brimstone. This is referenced in Revelation, Chapter 19, verse 20:

And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

Conclusively, after all is said and done, we found that the real purpose of the nations and the people gathering for a “One World Government” is not going to be to the “glory” of President George W. Bush and his seven allies, but rather יהוה is using them to gather the nations and the people, so that He, יהוה, can build His “Theocratic Government,” which shall consume their governments, and stand forever.

Within the phrase, “...*and ten horns...*,” was identified a *crucial event* that shall usher in the New World Order. This crucial event that is forthcoming will be the turning point, and will result in a grave consequence: “*a time of Great Trouble.*”

Our documentation affirmed that there would be *another terrorist attack* on America to occur after the war in Iraq. This next terrorist attack will involve a *jet plane* discharging *nuclear missiles* from the air. The big shock came when we divulged the place that this next terrorist attack would occur. It was revealed that *nuclear missiles* will be dropped from the air over a place where people go for pastime, amusement, sports events, and entertainment, much like an arena or stadium. However, we were warned to exercise caution in attending events at stadiums or arenas during the time a yearly or seasonal activity is being hosted, because this is the time in which a plane carrying nuclear missiles will hit with the next terrorist attack. Even more, this next terrorist attack will be declared a **“WORLD CRISIS,”** which will simultaneously catapult the world into a time of **“Great Trouble.”**

In order to identify what this time of Great Trouble is, we went to Jeremiah, Chapter 30, verse 7, which reads:

Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it.

We also went to Mark, Chapter 13, verse 19:

For in those days shall be affliction, such as was not from the beginning of the creation which God, אלהים, created unto this time, neither shall be.

We gathered that **Jacob**, who represents “all” dark-skinned people, will suffer greatly from oppression, and will have his so-called liberty taken from him. From this point, we defined the word “**ten**” from “*ten horns*,” and came to the understanding that the U.S. government will institute martial law to gather all dark-skinned people into **CONCENTRATION CAMPS**. To heighten or intensify this crisis, the U.S. government will slander all dark-skinned people in the media by causing them to be seen in the eyes of the public as sources of potential danger or terror.

Our research showed that the U.S. government is afraid of dark-skinned people because they fear that from among them, a nation of people will rise up who will be able to do a *detailed examination* or *search* of the Scriptures; and in this process, they will uncover the facts concerning the **gospel**, the *New Testament* of the Bible, and will ultimately loose the seals of the *Scriptures* of the *New Testament* of the Bible. Why do they fear this? They fear this because this knowledge would pose a serious threat to the government of America. From these facts, we saw clearly that the reason

the government fears all dark-skinned people has nothing to do with violence.

When we closely examined the word “**horn,**” we found out that this Nation of people that they fear would rise from among dark-skinned people is, in fact, the Nation of יְהוּדִים, who are *Hebrew Israelites*, from the *Tribe of Judah*, the *descendants of Abraham, Isaac and Jacob*, God יְהוָה [’s] *chosen people* who have been long absent from their native land and have been in captivity to a place cryptically called Babylon, known today as America.

Thus, this phrase taught us to be aware of all the signs that are taking place in the world events today, particularly when we see “*the next terrorist attack,*” because this is the method that the U.S. government shall use to come after all dark-skinned people, and put them into CONCENTRATION CAMPS.

After this, we were left with no choice but to closely examine the phrase, “*...and upon his horns ten crowns....*” In this phrase, we found that *horns* has a total different meaning than that of the “ten horns.” *Horns*,

in this phrase, disclosed to us that President George W. Bush is concerned with a group of nations that are in the same area, and he shall take on an aggressive attitude against them, and shall even go to war with them. To understand why he is going to war with a group of nations that are in the same area, we examined his “aggressive” attitude.

In examining his “aggressive” attitude, we found that he will violate the sovereignties of this group of countries or nations that are located in the same area. In addition, the war or violation of these countries or nations that are in the same area will be a forceful procedure--unprovoked attacks--that he will use to dominate over them. We affirmed that President George W. Bush is concerned with the rich resources of these countries or nations, and will send troops to these countries or nations to take away the rich resources of their land by military power. So we had to question, What are the rich resources of these countries? We found out that their rich resources are their petroleum or oil, which they obtain from the ground. We expressed to you that without provocation, he shall send troops to go to war against them to take it.

We also had factual information to substantiate that not only will President George W. Bush issue troops to go to war with these countries to take their petroleum or oil, but he will also take their kings--the male rulers of their nations, by bringing about a breach of the peace among them. A **breach of the peace** is described as “a great commotion.”

This great commotion will not be about oil only, but it will also be about “religious beliefs.” We concluded that these countries that are in the same area where he will go to take oil is the Middle East or the Arabian Peninsula. This is exactly what he is doing with IRAQ.

As stated, President George W. Bush going to war with these countries will not be just about oil, but it will also be because they--the Middle East--have a common bond between them, and that is their belief in the religion of Islam. We pinpointed that his purpose is to go in militarily and to destroy these countries or nations, remove their kings or rulers from their thrones or positions of power, and then to set up new kings in their places, who will support or implement his plan.

Using the books of understanding, the dictionaries, we defined the “*ten crowns*,” and saw that President George W. Bush is removing the “old” horns or kings and making “new” horns or kings, which is in accord with the Scripture of Revelation, Chapter 17, verses 12 and 13, which reads:

And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

These have one mind, and shall give their power and strength unto the beast.

Hence, these kings that are to be set up in the Middle East have no power as of yet, but will receive power with the beast for one hour, meaning for a very short time. They will receive power as kings, and will have no problem giving their power and strength unto the beast, President George W. Bush. Why? Let us also read Revelation, Chapter 17, verse 17:

For God, יהוה, hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God, יהוה, shall be fulfilled.

As we have just learned, these kings that President Bush will set up in the Middle East will have no problem giving their power and strength unto the beast, which is used euphemistically to President Bush. Why? Because יהוה hath put it in their hearts to do these things until His word is fulfilled.

And the most interesting thing is that after יהוה fulfills His will with these ten new kings for this short time, then the very same kings that President Bush will set up shall be the same kings who will eventually eat him up. And not only that, but the whore upon which he sits, which is America shall also be eaten up. This can be verified in Revelation, Chapter 17, verse 16:

And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

The Middle East is the place where President George W. Bush has chosen to build the Episcopal see, which will be his seat of high authority. So going to war with the Middle East will be about removing ten kings in order to strip those nations of their religion, so that their beliefs of Islam can be replaced with that of Christianity, whereas they will be under the Supreme Head of the Roman Catholic Church--the Pope.

We were informed to keep our eyes opened because when we see these Arab nations being stripped of their religious beliefs, then we must know that this is the beginning of the religious war, meaning that soon all people on the earth will be forced to make a decision about their religion.

These ten new kings that will govern the Middle East will act as bishops. They will be persons from the Roman Catholic Church who will transact business on behalf of President George W. Bush, and will exert their power to such a degree that it will produce an effect upon all of the Middle East--hoping to cause all of the Middle East to adhere to Christianity.

Conclusively, President Bush shall make a decision that all the Middle East must adhere to one universal religion--Christianity, and profess belief in the established principles of the Roman Catholic Church. However, it was brought out that although he is going to war with these nations in the Middle East, he will make his *final* war with the Nation of **יִהוּדָה**, as is found in Revelation, Chapter 13, verse 7:

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

The saints are the Hebrew Israelites, the chosen people of God, **יִהוּדָה**, the Nation of Israel. Thus, the final war will be with us.

After saying that, this brings us to our last phrase which is “...*and upon his heads the name of blasphemy.*” In order for President Bush to

launch a holy war against us, he will set before the public entertainment about us, the Nation of **יִהוּדָה**, that “he” considers most important for the world to see and hear. This entertainment shall be designed to make us a spectacle before all the world.

In fact, he shall **STAGE** a strategic plot against us to make the public believe that we are guilty of perverting the truth and breaching the law. This public display will be deeply impressed upon the minds and thoughts of the people. However, all that shall be set before the public about us, the Nation of **יִהוּדָה**, will be unverified: meaning these statements shall not be properly validated, neither shall they be based on clear or identifiable sources as to their authenticity.

In keeping with the facts, President George W. Bush shall give shape and form to what he thinks about us over international TV by showing spliced photographs or pictures of us that will be a manipulated using high technology and sophisticated computerizations. To add to these, he shall use a deceptive form of writing and filmmaking to give credence to what he thinks about us, the Nation of **יִהוּדָה**, by using *real people* from within our nation, and *historical events*, such as our claim to be the chosen people of

the Bible and our Biblical feasts that we observe, to **stage** a *fictional* (made-up) account about us. Why? Because he knows that the public tends to readily believe anything that is published in the media.

Our facts showed that President Bush has laid jointly with others--the *heads*--to bring the *names of blasphemy* upon us. He and his heads will bring suffering to the Saints of the Nation of **יְהוָה**, by causing us to undergo, endure, and be subjected to pain, distress, injury, loss, or anything considered unpleasant. First Peter, Chapter 3, verse 14 tells us:

*But and if ye suffer for righteousness' sake, happy are ye:
and be not afraid of their terror, neither be troubled;*

The answer as to why we should not be afraid of their terror, neither be troubled as we suffer for righteousness' sake is found in Romans, Chapter 8, verses 17 and 18:

*And if children, then heirs; heirs of God, **יְהוָה** and joint-heirs with Christ, **בְּנֵי יְהוָה**; if so be that we suffer with Him, that we may be also glorified together. <stop>*

If we suffer with **בְּנֵי יְהוָה**, we shall also be glorified with Him.

Continue with Verse 18:

For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.

The suffering, pain, distress, injury, and loss that we shall undergo, endure, and be subjected to in this present time is not even **worthy enough** to be compared to the **GLORY** which יהוה shall reveal in us.

We were hit with some hard evidence to prove how the beast--validated as the President of the United States, George W. Bush--shall cause our Nation to suffer: undergo, endure, or be subjected to pain, distress, injury, and loss, and it is through our foundation. The “only” foundation that is associated with the Nation of יהוה--that is dedicated to social, educational, and spiritual edification for religious purpose--is the **“P.E.E.S.S. Foundation.”** Therefore, President Bush is looking to undermine the **P.E.E.S.S. Foundation** before the world, using high technology and sophisticated computerization to create and construct *fictional* accounts to make it “appear” as though **P.E.E.S.S. Foundation** is guilty of intentionally perverting the truth and breaching the law. All of which shall be done in hope and expectation of convincing or persuading the

public to not take to the wisdom, knowledge, and understanding that we are publishing about the “true” name of God, יהוה, and His Son, יהוה בן יהוה.

With these facts established, we made it clear that President George W. Bush has been given the job of wearing out the saints of the Most High, יהוה, as can be found in Daniel, Chapter 7, verse 25, which reads in part:

And he [Satan] shall speak great words against the most High, and shall wear out the saints of the most High,...

It was laid out in the open that the manner in which he will wear out the saints is by demoralizing our belief in יהוה בן יהוה and His teachings to a degree that will seriously affect our ability to assist, help, and provide the public with the truth about the Messiah, יהוה בן יהוה, and His true mission here on Earth. Even more, to demoralize us, he is going to use his *heads* to say and write everything they can think up and imagine from their own vain thoughts, and then have it published in a covert and malicious manner. This action shall be taken against the Nation of יהוה and the ***P.E.E.S.S. Foundation*** hoping that there will be nothing left to be discussed about us.

He will seek to convince the public that our morals, manners, and actions are bad. And in addition, he shall also alter the correct form and

original version of what we say and teach to make our message appear to be bad. Such actions will cause it to look like there is confusion and disturbance among us in the eyes of the public. This confusion and disturbance among the public, stemming from the false rhetoric of President George W. Bush, shall lead the public to believe that we are exhibiting unruly behavior.

Over and above this, to wholly demoralize us and the *P.E.E.S.S. Foundation*, President George W. Bush shall put it in the hands of the executive branch of the government to be responsible for publishing malicious stories about us by reporting, videotaping, and photographing our events, which shall be given to the media--print and electronic. These actions against us will be motivated by intense hatred for us and the moral message we teach.

We found out that *upon his heads*, which are the top officials of the FBI, Department of Justice, and the CIA--John Ashcroft, George J. Tenet, Condoleezza Rice, Dick Cheney, Colin Powell, and Donald Rumsfeld--it will be their responsibility to publish inaccurate news about us; to generate

false reports, create made up videotapes, and develop fake photographs of us.

Respectively, the Nation of **יְהוּדָה**, represents a biblical character called “Simon” who was prophesied to carry the cross after the Messiah, **יְהוּדָה בֶּן יְהוֹנָן**. It was told to us that *carrying the cross* means that we would be treated in the same fashion as our Messiah, **יְהוּדָה בֶּן יְהוֹנָן**. We read Luke, Chapter 20, verses 19 and 20:

*And the chief priests and the scribes the same hour sought to lay hands on Him [**יְהוּדָה בֶּן יְהוֹנָן**]; and they feared the people: for they perceived that He [**יְהוּדָה בֶּן יְהוֹנָן**] had spoken this parable against them.
And they watched Him [**יְהוּדָה בֶּן יְהוֹנָן**], and sent forth spies, which should feign themselves just men, that they might take hold of His words, that so they might deliver Him [**יְהוּדָה בֶּן יְהוֹנָן**] unto the power and authority of the governor [government].*

In the same manner in which the U.S. government laid hands on the Messiah, **יְהוּדָה בֶּן יְהוֹנָן**, because they feared that he was speaking **parables** against the U.S. government, they shall also perceive us in the same fashion. They will fear that we will use the Bible against them; more specifically that we will speak prophecies as written in the Bible against them. The **heads** or top officials--John Ashcroft, George J. Tenet, Condoleezza Rice, Dick

Cheney, Colin Powell, and Donald Rumsfeld--of the FBI, the Department of Justice, and the CIA shall send spies that shall feign (disguise and plant) themselves as *just* men among us so they can hear (report and videotape) the words that we speak in order to deliver us unto the power and authority of the President--who will command that we be thrown into “prison.”

All of these things we must suffer endure, undergo, and be subjected to because President George Bush has a deep hatred *against* the true God, יהוה, and His Son, בן יהוה, and against the Spirit of יהוה that is in us, the Nation of יהוה. Therefore, he wants to prevent us from serving as interpreters of the will of יהוה, because he does not want the people to be persuaded to our side by the overwhelming evidence that we prophesy about יהוה, and His Anointed, בן יהוה.

We received crystal clear evidence to conclude that the bottom line is this: President George W. Bush, along with John Ashcroft, George J. Tenet, Condoleezza Rice, Dick Cheney, Colin Powell, and Donald Rumsfeld know that יהוה has given us keen and quick insight to reveal the hidden mysteries of the Bible, and they do not want us to prophesy of the “*handwriting on the wall*” (Daniel, Chapter 5). This is what they are very afraid of.

When we reveal to the world the *handwriting on the wall* (which we are already doing on the Internet), it serves as a sign to President George W. Bush that his kingdom is just about **FINISHED**. Quite frankly, he does not want to be persuaded that the end of his kingdom is at hand, and neither does he want us to persuade the masses with our overwhelming evidence of truth about America as written in the Holy Bible.

Conclusively, we declared that in spite of how President Bush and his heads will fight and work against us, to blaspheme us, we shall forever stand to testify to the world that יהוה is God, and that the Messiah, יהוה בן יהוה, is here, and that the kingdoms of this world shall become the Kingdom of יהוה--Heaven (Revelation, Chapter 11, verse 15). Even more, regardless of the evil reports, made up videotapes, and fake photographs that shall be manipulated, using high technology and sophisticated computerization, to portray us as evil, יהוה has reserved those of us who truly belong to Him to not be moved by this slander campaign. For we--the true followers of יהוה, the Nation of יהוה--know that this slander campaign is not worthy neither can it be compared to the “glory” that יהוה shall reveal in us.

This concludes our overview of Revelation, Chapter 13, verse 1. I hope that this has given everyone a broad overview of the events that are soon to come upon us. And I pray that we will all be strong and courageous to stand against what is ahead. May the Spirit of יהוה be upon all of us to direct us, bless us, and keep us. Shalom.
